MINIMUM CREDITS

46

DURATION

4 Months

▼ Purpose of the Qualification

This part-qualification prepares the learner to function as a Commercial Ablution Cleaner, responsible for cleaning and maintaining commercial ablutions. The curriculum integrates essential learner attributes, such as communication, and requires learners to prove competence against the knowledge, skills and tasks defined in the exit level outcomes.

▼ Entry Requirements

A learner must hold **one** of the following:

- ▲ A **Grade 12 National Senior Certificate (NSC)** or **National Certificate (Vocational) (NCV)** at NQF Level 4.
- ▲ An **equivalent NQF Level 4 qualification**, demonstrating proven proficiency in Communication and Mathematical Literacy.

▼ A qualified learner will be able to:

Prepare for the clean

01

Prepare equipment, tools, chemicals and consumables to clean commercial ablution facilities to the required specifications.

Complete the clean

02

Complete the cleaning of commercial ablution facilities to the required standard, using proper cleaning principles and methods.

COMPLETION PATHWAY ► ALL THREE COMPONENTS, THEN THE EXTERNAL ASSESSMENT

1 COMPONENT

Knowledge

16 Credits

Theory, concepts and principles of commercial cleaning.

2 COMPONENT

Practical Skills

13 Credits

Supervised practice of the occupational skills.

3 COMPONENT

Work Experience

17 Credits

Applied practice in a real commercial workplace.

★ FINAL

EISA

External Assessment

Externally assessed once all modules are complete.

Three compulsory components

The qualification consists of three compulsory components aligned with QCTO standards, ensuring comprehensive skills development and the full benefit of a structured learnership. All three must be completed before a learner may attempt the External Integrated Summative Assessment (EISA).

46
TOTAL CREDITS

Knowledge Modules

16 CREDITS

Build the informed base of theory, concepts and principles in commercial cleaning.

KM-01 Introduction to the world of work

KM-02 Commercial cleaning equipment, chemicals and consumables

KM-03 Cleaning ablution facilities

Practical Skill Modules

13 CREDITS

Give learners the opportunity to practise the specific occupational skills required for the role.

PM-01 Complete before-shift duties

PM-02 Clean ablution facilities

PM-03 Check and confirm completed tasks

Work Experience Modules

17 CREDITS

Apply the skills in a real workplace, with exposure to typical systems, policies, procedures and practices.

WM-01 Procedures for completing before-shift duties

WM-02 Procedures for cleaning ablution facilities

WM-03 Procedures for checking and confirming completed tasks

EISA Eligibility

Before attempting the External Integrated Summative Assessment, a learner must provide a Statement of Results from a skills development provider confirming successful completion of:

- ✓ All knowledge modules
- ✓ All practical skill modules
- ✓ All work experience modules
