MINIMUM CREDITS

120

DURATION

12 Months

▼ Purpose of the Qualification

This qualification prepares the learner to function as a Commercial Cleaner. A Commercial Cleaner cleans commercial premises — offices, retail complexes, warehouses, residential complexes and construction sites — using the appropriate chemicals, consumables, tools and equipment for each surface and area.

▼ Entry Requirements

A learner must hold **one** of the following:

- ▲ **Grade 12 National Senior Certificate (NSC)**, or a **National Certificate (Vocational)** at NQF Level 4
- ▲ An **equivalent NQF Level 4 qualification**, with proven literacy and numeracy
- ▲ **Note** — Amalga intake standard; SAQA registers open access.

▼ A qualified learner will be able to:

Prepare for the clean

01

Prepare equipment and tools, chemicals and consumables to clean commercial premises to the required specifications.

Complete the clean

02

Complete the cleaning of commercial premises to the required standard, using established cleaning principles and methods.

COMPLETION PATHWAY ► ALL THREE COMPONENTS, THEN THE EXTERNAL ASSESSMENT

1 COMPONENT

Knowledge 39 Credits

Theory, concepts and principles of commercial cleaning.

2 COMPONENT

Practical Skills 35 Credits

Supervised practice of the occupational skills.

3 COMPONENT

Work Experience 46 Credits

Applied practice in a real commercial workplace.

★ FINAL

EISA External Assessment

Externally assessed once all modules are complete.

Three compulsory components

Three compulsory components aligned with QCTO standards, all of which must be completed before a learner may attempt the EISA.

120

TOTAL CREDITS

Knowledge Modules

39 CREDITS

Theory and principles of commercial cleaning.

KM-01 World of work
